Mr Abe Saperstein  
192 N. Clark St.  
Chicago Ill.

Dear Abe:

I received your wire(better late than never). I really was commencing to have the jitters. Well it does not sound too bad. For one thing, the jumps are not too much. The games around Chicago do not sound like much, but it might give us a chance to build up a reputation in that neighborhood, and then we may get one of the good dates in Chicago.

I am enclosing you a copy of the statement I will give them on the trip. If there are any corrections please let me know in time. I am wiring The Grand Hotel for rooms for Abe. He will be with the team. I wired the place you spoke of New Leo Hotel for rooms for the team from the 28th to the 31st.

Please let me know what you might be able to do for Labor day, as I have been urged to return to Newark, as we have that whole week here. As you have no doubt heard we are drawing very well nights. It would be silly to pass up a couple nights here if we are not going to have something interesting out west.

I am enclosing you a clipping of what we had for The Kansas City game. It is too bad we were rained out. The park said they have never been as busy with the phone in the history of the park. I am sure we would have had our biggest crowd. This paper The Newark Evening News, is one of the finest in the country, and definitely the biggest in Jersey. In addition we has wonderful stuff in all the papers.

Please let me hear from you right away about the labor day situation. I hope the trip is nice.

Very Truly Yours
